

CARNALYSYS WEBSITE DEVELOPMENT AGREEMENT

Document Header

Field	Details
Agreement Ref	[Reference No.]
Date	[DD MMM YYYY]
Prepared By	[Service Provider Legal Name]
Office Address	[Address Line 1], [Address Line 2], [City, State, PIN]
Contact	[Email] \ [Website URL] \ [Contact Number]

****To:**** [Client Contact Name], [Client Organization Name], [City]

This Agreement is entered into between ****[Service Provider Legal Name]**** ("Provider") and ****[Client Legal Name]**** ("Client") for development, deployment, and on e-year handling of the ****CARNALYSYS Website Platform****.

1) Project Scope (Website Only)

Module	Scope Included
Public Website	Home page, branded sections, catalog browsing, search/filter experience, policy/static pages
User Account	OTP auth, profile/address management, favorites/wishlist, order history/details
Commerce	Cart lifecycle, checkout/order placement foundation, payment/order status handling, audit-ready order flow
Admin Website	Admin dashboard foundation, product/category/order/user management, operational visibility
Security & Stability	Global exception handling, request validation, idempotency on critical writes, transaction/locking safeguards

2) Current Implementation Summary (Till Date)

Area	Current Delivery Status
Public Experience	Website/catalog foundations and core navigation completed
User & Auth	Auth, account, cart, and order backend foundations implemented
Admin	Admin area for products, categories, orders, and users available
Reliability	Payment/order hardening groundwork with idempotency and audit model
Security	API safety and transactional consistency safeguards added
Operations	Release process aligned for quarterly production deployment

3) Assumptions and Exclusions

1. This agreement is for ****Website Platform only**** (not mobile application).
2. Scope is restricted to currently discussed and mutually agreed requirements.
3. Cloud/server/domain/SSL and third-party provider charges are excluded unless explicitly included in writing.
4. Any major future enhancement outside this agreement scope follows Change Request process.

4) Commercials and Cost Estimation

4.1 Base Package (Included in INR 60,000)

Phase	Description	Cost (INR)
Phase 1	Discovery, requirement freeze, architecture baseline	10,000
Phase 2	Core website implementation (frontend + backend modules)	22,000
Phase 3	Security hardening, testing, stabilization, documentation	12,000
Phase 4	Production readiness, deployment setup, handover	8,000
Phase 5	One-year handling/support reserve (quarterly release support)	8,000
Total Base Package		**60,000**

4.2 Add-On Modules (Optional, Fixed Price)

Add-On	Module	Scope	Fixed Price (INR)	Timeline
A1	Advanced Analytics Dashboard	KPI and trend reporting views	18,000	2-3 weeks
A2	Production Payment Gateway Integration	Provider-specific live integration + callback hardening	15,000	2 weeks
A3	WhatsApp/SMS Automation	Customer/admin notification workflows	9,000	1-2 weeks
A4	SEO + Performance Optimization	Core Web Vitals and technical SEO improvements	12,000	2 weeks
A5	Multi-language Website	Multi-locale content and language switching	14,000	2-3 weeks
A6	Advanced Approval Workflow	Multi-role approval and escalation model	16,000	2-3 weeks

> Add-ons are outside the base INR 60,000 and are billable only after written Client approval.

5) Schedule and Deployment Cadence

- Initial Delivery Clause:** The first delivery shall be executed against the scope discussed and mutually agreed at the time of contract sign-off.
- Base implementation and launch readiness will follow the mutually approved sprint/milestone plan.
- Deployment Cadence Clause:** As of the effective date of this Agreement, production deployments are planned at a quarterly cadence (once every 3 months), unless otherwise agreed in writing by both Parties.

Planned Production Release Windows

Quarter	Planned Deployment
Quarter 1	Initial production launch
Quarter 2	Planned production update
Quarter 3	Planned production update
Quarter 4	Planned production update + annual closure review

6) Terms and Conditions

1. Client review/feedback should be provided during active development or within two weeks after delivery for in-scope defect corrections.
2. Third-party API/services/SSL/domain/hosting are charged on actuals unless included explicitly.
3. One-year handling covers standard maintenance of agreed scope only.
4. Provider liability for business losses is limited except in cases of gross negligence or willful misconduct.

7) Payment Terms

Milestone	Amount (INR)	Condition
Advance Payment	30,000	At agreement sign-off/project kickoff
Final Payment	30,000	On completion of agreed project scope and Client delivery sign-off

Invoices are payable within **7 calendar days** from invoice date.

8) One-Year Handling and Support

Support period: **12 months from production go-live date**.

Included Support

- Minor bug fixes and stability improvements
- Quarterly deployment support and release coordination
- Production issue triage and root-cause guidance

Response Targets (Business Hours)

Priority	Initial Response
Critical	Within 4 hours
High	Within 1 business day
Medium/Low	Within 2 business days

Exclusions

- New feature builds outside agreed scope
- Re-platforming/re-architecture work
- Third-party vendor outages and external fee items

9) Technology Stack Used

Layer	Technology
Frontend	React, Vite, JavaScript, Tailwind-style tokenized CSS
Backend	Java 17, Spring Boot, Spring Web, Spring Security
Data	Spring Data JPA, PostgreSQL, Flyway
Auth	OTP-based login flow with JWT/session handling
API Architecture	REST APIs with role-based admin/user separation
Reliability	Validation, global exception handling, idempotency, transaction/locking controls

10) Acceptance, Change Requests, and Warranty

1. Milestones are accepted based on agreed deliverables and closure of critical defects.
2. Any requirement outside agreed scope is treated as a Change Request (CR).
3. ****Change Request Pricing Clause:**** Any enhancement, modification, or new requirement requested after first delivery shall be treated as a Change Request and shall be estimated and billed separately after written approval.
4. Provider warrants professional delivery of agreed scope and support obligations.

11) Legal and Sign-Off

For Service Provider	For Client
